Subject: Our economy needs your support

I'm writing because I want to make sure you know that we want a clean river.

Taking care of our environment is important. We can all agree to that. A clean river is good for all Oregonians. But please remember that jobs are good for Oregonians, too. We need a flexible cleanup that respects the role the harbor plays in our economy.

Please do what's right for the environment and the important work that happens in the Portland Harbor.

Sincerely,
